Transforming data with `dplyr`

Working with Factors

Chad Murchison

2024-07-07

Agenda

- Brief Review

- Transformations with `dplyr`

- Factors in R

- Groups and Summarization

Brief Review - Workflows with the Pipe

- Consider the following sequence of actions

  1. Find key

  2. Unlock car

  3. Start car

  4. Drive to school

  5. Park
